Dear Aliens Sound & Lights Team,

On behalf of SCA Hygiene Malaysia Sdn. Bhd, we would like to express our heartfelt gratitude for an excellent job done at our "Glam & Glitz" Annual Dinner & Dance 2013. Allow me to quote some comments from our top management that *"the night went very well"*, and it was *"above their expectations"*, *"one of the best annual dinners that they have attended before"* etc.

We like to think that the support that we got from Aliens Sound & Lights team has played a huge part in the success of the dinner event. The Aliens have definitely proved to us that they are very professional and experienced when it comes to running huge company events that involved thousands of people. Special thanks to Derrick, Imran, Dhevan and the entire Aliens Sound & Light team!

Thank you again for the service rendered. We would definitely consider engaging the Aliens in our future events.

Dear Aliens,

I would like to say thank you very much for your services at the last Norway Seafood Gala Dinner! As always it was flawless. I feel the cooperation goes very well, no problems at all.

On top of that, I enjoyed support from especially Derrick, who, together with a colleague really helped me as well.

I did not thank you directly during the dinner, so I do it this way.

All the best from,
